In the Application

As requested by the previous Response dated May 18, 2005, Applicants herein again request the U.S. Patent and Trademark Office to amend the attorney docket number of this application from 03959-P0023A to 03959-P0024A. This is necessary to avoid unnecessary confusions in the handling of the matters because there exists another pending U.S. patent application of Applicants which has the attorney docket number of 03959-P0023A (Application No. 10/816,449).
